BILASIPARA COLLEGE, DHUBRI,

ASSAM

WORLD ENTREPRENEUR'S DAY

Event Organized by: Department of Chemistry and Physics in association with IQAC, Bilasipara College

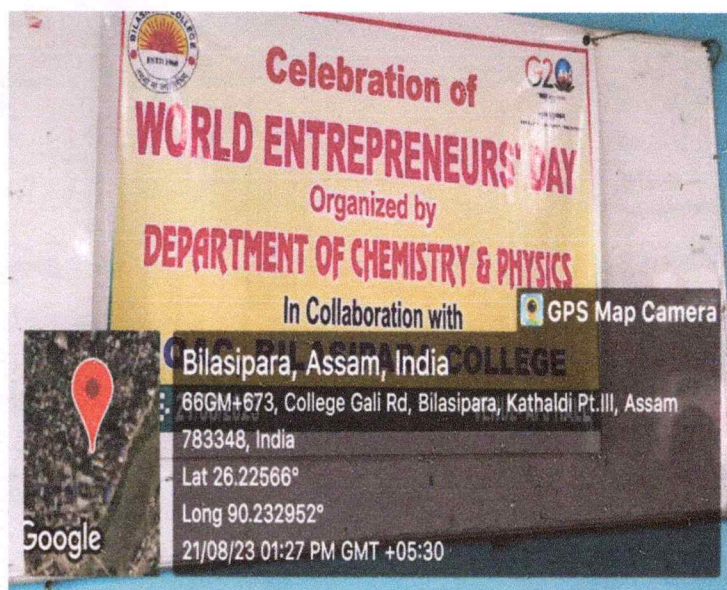

Date: 21/08/23

Time: 1pm

Venue: APJ Hall, Bilasipara
College

Beneficiaries: HS and UG students

Participants: Teaching staff and HS and UG students.

Significance of the Day

“India is now the hub of the 'Start-up' ecosystem in the world, ranking third with over 90,000 'Start-Ups' and 107 unicorn companies worth \$30 billion after the United States and China. The Central government, under the leadership of Prime Minister Narendra Modi, has also begun and promoted the Startup India Initiative to help aspiring entrepreneurs. It has also launched various schemes to train as well as provide technical support, financial assistance, subsidies, and other services to budding entrepreneurs to fuel their growth and mark their presence in the market. Hence, to acknowledge entrepreneurship and individuals becoming entrepreneurs across the world, August 21 is celebrated as 'World Entrepreneurs Day' every year. The day celebrates the role played by businessmen in creating employment opportunities and nurturing economic development across various industries globally”.

Celebration of the day at Bilasipara College

Bilasipara College celebrated “World Entrepreneurs' Day” on 21st August 2023, APJ hall at 1.00 pm Onwards. Large number students as well as Faculty members participated in the

programme. Event started with presentation of unique business ideas by the noted faculty members of department of Chemistry and Physics . Large number of Students from Arts and Science section participated in the open discussion. Dr Biswajit Biswas, Principal, Bilasipara College delivered the key note address to the students. Prof M.R. Mazumder, Associate Professor, Department of English explained the objectives of the entrepreneurship development among the youths. Prof Amanur Rahman explained the importance of entrepreneurship development in the present days. He explained that in a hugely populated country like India entrepreneurs play a vital role. Through proper entrepreneurship development we can not only use our resources but also generate employment opportunities. Students expressed their different business and also participated in open discussion. Students also participated in essay writing competition on the theme "Cottage industry in Assam - Problems and Prospect" where they explained their views . Prof Suvendhu Saha, Harun Al Rashid, Some Deb, Sampa Kundu, Manoranjan Roy, Bishnupada Roy, Namrata Sen, Priyasri Devi, Ruhul Kuddus and many more attended the programme. The programme gave boost to the creative thoughts to the students. Overall, the event was learning in a fun way and also celebration of the spirit of Entrepreneurship.

Later that day an essay competition was organized for the students, giving them a platform to ponder on the possibility of entrepreneurship in the state of Assam. A large number of students from both streams participated and showcased their enthusiasm. As the rule of the competition three best essays were selected from amongst them by Prof Amanur Rahman, Assistant Professor, Dept. of Chemistry and Namrata Sen, Assistant Professor, Department of Political Science and thereby trophies were distributed to the winners.

At the end Prof Amanur Rahman , Assistant Professor of Department of Chemistry, Bilasipara College gave vote of thanks.
