REPORT ON THE EDUCATIONAL AND HISTORICAL TOUR
TO
JOGIGHOPA CAVE SITE AND PAGLARTEK TEMPLE

28.02.2024

As a part of the Skill Enhancement curriculum, the department of History, Bilasipara College organised a 1 day educational field trip to the Jogighopa cave site and Paglartek Temple for the students of second and fourth semester. This trip was conducted as a part of the curriculum for the papers Historical Tourism in North East India and Oral Culture and Oral History respectively in order to provide practical experience and on site information to the students. During the tour, students were given the opportunities to study the historicity of these sites and engage with discussions with the local informants.

Faculty members also had a fruitful interactive session with the students and were guided throughout. Among the teachers who guided the programme were Prof. Dr.Lakhima Hazarika, HoD; assisted by AnushuyaGoswami, DularaiBaro and SubhalakshmiBaruah from BilasiparaGovt, Model College.

Following the field trip students were asked to present a report on the sites that were visited and viva was conducted on the basis of these reports in order to evaluate and establish a deeper understanding among the students.
