Date: 14th February 2022

Venue: Bilasipara College Campus

Organized by: Internal Quality Assurance Cell (IQAC), Bilasipara College

Introduction:

The Internal Quality Assurance Cell (IQAC) of Bilasipara College organized a Cleanliness Drive on 14th February 2022 within the college campus. The initiative aimed at promoting environmental awareness, hygiene, and a clean atmosphere within the institution. The drive was a step toward fostering a sense of responsibility among students and staff regarding the importance of cleanliness.

Objectives:

1. To maintain a clean and hygienic college environment.
2. To instill a sense of responsibility among students and faculty members.
3. To encourage sustainable waste management practices.
4. To promote awareness about cleanliness and its impact on health and well-being.

Participation:

The drive saw enthusiastic participation from students, faculty members, and administrative staff. The Principal of Bilasipara College, along with IQAC coordinators and volunteers, actively took part in the event. Students from different departments joined hands to make the campus cleaner and greener.

Activities Conducted:

1. Cleaning of classrooms, corridors, and college premises.
2. Removal of litter and proper disposal of waste materials.
3. Awareness talks on the importance of cleanliness and hygiene.
4. Plantation of saplings to promote environmental sustainability.
5. Proper segregation of biodegradable and non-biodegradable waste.

Outcome:

The cleanliness drive successfully created awareness among students and staff regarding the significance of maintaining a clean environment. The initiative also helped in improving the aesthetic appeal of the college campus. The event encouraged students to take an active role in cleanliness efforts not just within the college but also in their surroundings.

Conclusion:

The Cleanliness Drive organized by IQAC, Bilasipara College, was a commendable effort toward promoting hygiene and environmental responsibility. The event reinforced the message

that cleanliness is a collective effort and must be upheld consistently. Such initiatives should be conducted regularly to maintain a sustainable and healthy campus environment.

Recommendations:

- Organizing similar drives at regular intervals.
- Incorporating cleanliness awareness programs into the curriculum.
- Encouraging student-led initiatives for a cleaner environment.

The event concluded on a positive note, with participants taking a pledge to maintain cleanliness and contribute towards a greener future.
